**LAND AND LAKES COMMITTEE  
MEETING MINUTES  
FEBRUARY 3, 2016**

**Committee Members Present:** Colin Cochran, Deb Metroff, Glen DeLorme, RTA Board Liaison, John Hecker

**RTA Board Members Present:** Steve Harenberg, , Bill Krokos, Scott Perkins and Bob Wilder

**Lake Camelot General Manager:** Glenda Carlson  
**Lake Camelot Maintenance Supervisor:** Greg Dennis

**Guests:** Bill Schafer and Ken Giordano from Illinois Valley Surveying and Consulting

Collin Cochran called the meeting to order.  
Collin introduced representatives from the Illinois Valley Surveying and Consulting Company whom were hired by the RTA Board to conduct a sediment reduction study for both lakes.  
Mr. Shafer introduce his business associate, Kenneth A. Giordano and described their professional background qualifying them for the study.  
Mr. Shafer described the various ways of controlling sediment deposits as described in the first several pages of the study.  
Mr. Shafer went on and reviewed all 30 of the drain basins in the report, describing what was observed at each location and recommendations to control the erosion and the sediment dumping into the lakes.

Mr. Shafer indicated that access to the ravines and in some cases landowners permission and agreements will be critical to move forward with many of the recommendations.  
  
Mr. Shafer responded to many questions posed by both the committee and RTA Board Members.

Mr. Shafer indicated that it will be very critical for the association to hire a trusted contractor for much of the check dams and risers that are recommended in the report.

**OLD BUSINESS**

**Concrete Cylinder (Old Water Treatment Input-Upper Lake** - Per the recommendation of Mike Bryant from the Farnsworth Group no action is needed for any repair to the structure. It was suggested to either remove it at some future date or just let it cave into the lake...perhaps enhancing the fish habitat.

**Erosion Control Projects to be Completed from 2015** - Collin Cochran briefly reviewed the status of those erosion control projects.

**Long Range Planning & Plans for 2016** - Collin Cochran indicated that the Committee would be preparing a 2016 updated plan.

**NEW BUSINESS**

**Bridge & Dam Inspection Report** - Copies of the most recent bridge and dam inspection report were distributed to the committee members present.

**Committee Chairman:** The Committee requested John Hecker to be Chairman Pro-tem until after which time a permanent committee chair person can be found from within the Committee members. Mr. Hecker agreed. He also suggested that the Dredging Committee and the Land and Lakes Committees be combined into one. After brief discussion, no consensus was reached except to leave it as two separate committees. Mr. Hecker was asked to contact each Land & Lakes Member to determine their interest in continuing on the committee through 2016.

**NEXT MEETING: MARCH 2, 2016 6:30 P.M.**

**CAMELOT ROUND TABLE ASSOCIATION**  
**BOARD MEETING MINUTES (UNAPPROVED)**  
**February 17, 2016**

**Call to Order** – President Steve Harenberg called the meeting to order at 6:30 p.m. Board Members present were Bill Krokos, Leah Allison, Tony Baker, John Hecker, Scott Perkins, Bob Wilder, Cathy Doss and Bo Pratt. Also present was Glenda Carlson, Acting General Manager.

**Approval of Minutes** – Bob Wilder made a motion to approve the January minutes, Scott Perkins seconded. All in favor, motion carried.

**Finance Report** – Treasurer Leah Allison reported the financial statement for January 2016 to the Board and Members present. The Finance Report was approved as presented.

**Recognition of Members and Guests** – In attendance were Jim Sinclair, Lot 477; Glen DeLorme, Lot 1033; & Beth Emhoff, Lot 795.

#### **COMMITTEE REPORTS**

**Infrastructure** - Jim Sinclair was present and introduced to the new Board Liaison for the Infrastructure Committee, Tony Baker. The committee will continue to hold its meetings on the second Tuesdays of each month at 5:30 p.m. and committee members will remain the same. Discussion was held on projects presently needing to be addressed by the Committee. The General Manager informed the Board that discussions in house with the maintenance department had included possibly looking into changing the filter system in the swimming pool to sand filters. Initial investigation by the manager with a representative from Aqua-gon in Naperville, IL indicated we would be subject to making application with the county to make the changes with engineered, stamped drawings, would need an ample sized building in which to house 4 36” Sand filters or 2 - 84” diameter (34x84 horizontal) filters, 600 lbs gravel 1,350 lbs of sand, etc... He feels that the DE System, although not as widely used anymore, is the best system to remove the greatest amount of stuff (hair, oils, etc) of the pool water. Recommends we look into properly ventilating the building we have now so as to help prevent such great wear on our pipes and equipment inside, and possibly house the excess chemical supply in another locked area. The Board asked the Infrastructure Committee to take on this project and make recommendations to the Board. The Board further asked the Committee to take on the task of obtaining estimates from Subcontractors to perform the cleaning, rust removal and painting of the underside of the Bridge and the repair needed to the weir dam as was recommended by Mike Bryant of Farnsworth Group at our last meeting. The next meeting of the Infrastructure will be Tuesday, March 8th at 5:00 p.m.

**Land and Lakes** – Please See Minutes, Page 5

**Health and Environment** – No Report.

**Dredging Committee**- Bill Krokos gave a brief report on the status of the contract with Jeadco and stated he & some committee members had attended Land & Lakes at their meeting with guest speakers from IL Valley Surveying and Consulting on February 3, 2016 regarding the survey sediment study.

**Security Report** – No Report

#### **CLUB REPORTS**

**Activities Club**- Cathy Doss reported that the club met on February 10th at 7:00 pm. The Valentine’s Party was discussed and will be held on the 12th at 6:00 p.m. President Fenwick will serve as the DJ for the dances for the remainder of this year and the club will **begin** looking for a new DJ in the fall. Easter Egg Hunt will be held March 19th and the stuffing of the eggs will be on March 9th at 6:00 p.m. Please watch Camelot Webpage and Facebook for more information on the Easter Egg Hunt.

**Sportsman’s Club** – Bob Wilder gave the Sportsman’s Club Report and informed the Board new officers have been elected. Danny Bushart will remain as President, Randy Roberts, Vice-President; Brandon Carroll, Treasurer and Dimitri Almasi, Secretary. Upcoming events include the Tackle Swap on Feb 20th from 10-2 and the Chili Cook-off on Feb 27th at 4:00 p.m. The next meeting of the Sportsman’s Club will be held Friday, March 4th at 8:00 pm. In the Clubhouse.

#### **ECC -Applications**

Loeffel, Lot 192 - Temp Placement of Political Sign in Yard. Bill Krokos made a motion to approve the application as submitted, John Hecker seconded. All in favor, Motion carried.

#### **OLD BUSINESS**

**Monthly Violation Reports/Update** – Management indicated there are some boats, trailers and recreational vehicles still not in compliance with the rules regarding parking and that violations and fines will be going out in the following two weeks after another visual inspection has been completed. Violators whom received fines and do not pay them will be prohibited in purchasing board stickers and using Lake Camelot amenities until the violations have been corrected and the fines have been paid.

**Repair Updates/Culvert(s)-Logan Township**- FCI has performed the work at this culvert. President Harenberg and Vice-President Bill Krokos will inspect and meet with the contractor.

**Armature/Pool Pump & Motors**- The General Manager reported that the original estimate we had received from Armature for the repair of the swimming pool pumps and motors was from October 2015 and that the price of the repair would be an additional \$345. After much discussion, Bob Wilder made a motion to approve the estimate of \$5,742.50 from Armature Pump and Motors, John Hecker seconded. All in Favor, Motion carried.

**2016 T-Ball and Instructional League Sign -Ups** - Leah Allison reported sign-ups will be the first two weeks of March. Registration forms and more information are available at the Lake Camelot office.

**Band Selection/4th of July Festivities** - The General Manager submitted the names of four bands that were contacted to perform at our 4th of July festivities. After much discussion, Leah Allison made a motion, seconded by Bo Pratt to hire Blue Skillet for the event to perform on Saturday, July 2, with a rain date of the 3rd from 5:00 - 9:00 p.m. All in Favor, Motion Carried.

**Jaedco (Rush) Contract/Progress Report** - President Harenberg executed the contract previously approved by the Board with Jaedco Incorporated for the lake management/instruction and water testing with in-house maintenance staff. Board Member John Hecker agreed to be also be present during training sessions. The signed contract will be forward to Mr. Rush so that he may begin scheduling of the procedures in coordination with the our maintenance supervisor, Greg Dennis.

**Dam & Bridge Inspection/Progress Report** - Needed Projects and Reporting requested from findings to be compiled by Infrastructure Committee.

## NEW BUSINESS

**Temporary Food Vending Licensing-** The General Manager reported we received a new application for food vending for temporary licensing for events such as the Pig Roast, the Fish Fry, Santa Breakfast, Swim Team Breakfast, etc. A hand drawn diagram of the cleansing station and serving areas will be required in advance prior to the inspection. New application forms will be sent to the appropriate clubs and committees for future use.

**Facebook Page/Guidelines regarding Advertisers -** Discussion was held regarding the increased number of realtors advertising properties for sale on the LC Facebook Page that were located outside the Lake Camelot subdivision. Decision by previous boards allowed paid advertisers within our monthly newsletter or telephone directory to place items for sale on our Facebook Page but did not, at that time, address individual realtor listings, neither inside or outside of Camelot. John Hecker made a motion to only allow Lake Camelot properties inside our own subdivision to be listed on our Lake Camelot Facebook page either by realtors whom pay to advertise individually within our newspaper or directory or the Lake Camelot member whom has his/her property for sale. Leah Allison seconded, motion carried.

**Closing the Upper Lake -** Cathy Doss made a motion, seconded by Tony Baker to begin closing the upper lake beginning the second week in March, weather permitting. All in favor, Motion Carried. Signs will be placed at both entrances notifying the membership.

**Executive Session-** Cathy Doss made a motion to go into executive session at 8:15 p.m., seconded by Scott Perkins. Motion carried. Motion was made by Tony Baker to come out of Executive Session at 9:17 p.m., seconded by Leah Allison. Motion carried.

**Action Resulting From Executive Session-**NONE.

**Adjournment** – Motion was made by Bob Wilder and seconded by John Hecker to adjourn the meeting at 9:19 p.m. All in Favor, Motion carried.

Respectfully Submitted,  
Cathy J. Doss,  
Secretary

## KINDERGARTEN REGISTRATION

IT IS the time of year when we begin to make preparation for Kindergarten registrations. Kindergarten registration will be occurring in early March. We would like to get an idea of what the 2016-2017 enrollments might be.

If you or anyone you know has a child that will be five years of age by September 1, 2016 and are planning to send them to Illini Bluffs Kindergarten, please contact the Illini Bluffs Elementary School at 389-5025 with your child's name, age, address and guardian information.

THANKYOU!

## LAKE CAMELOT BASEBALL REGISTRATION

Registration for the Lake Camelot summer baseball program will be held from **March 1-14, 2016**. To register, you can pick up a blank registration form at the Lake Camelot Clubhouse. Forms should be completed and returned, with the \$40 per child fee, by Monday, March 14, 2016.

Lake Camelot fields teams for T-Ball and Instructional/Coach Pitch.

### T-Ball (4, 5, & 6 year olds)

- Boys and girls should be four years of age prior to May 1 to play T-Ball. Parents need to determine readiness of players who are four.
- Games have traditionally been played on Wednesday evenings and Saturday mornings beginning early June thru early July.
- League games may be played against Lake Camelot, Hanna City and Hollis Park.

### Instructional League/ Pee Wee (7 & 8 year olds)

- Boys and girls should be seven years of age prior to May 1 to play Instructional League. Players who turn nine years of age prior to May 1 are too old to play.
- Games have traditionally been played on Tuesday and Friday evenings beginning late May thru mid July.
- League games are played with the Kickapoo Valley League (Hollis Park, Hanna City, Princeville, Brimfield, Elmwood, Farmington, and Kickapoo).

Contact Leah Allison at 697-6233 or [camelotbaseball@gmail.com](mailto:camelotbaseball@gmail.com) for more information.

Minutes – Infrastructure/Long-Range Planning Committee (ILRPC)

Tuesday, February 9, 2016

**Call to Order** - The meeting was called to order at 5:00 PM. Committee members in attendance were Suzanne Wheeler, Jim Sinclair, and Tony Baker (Board Liaison). Committee members absent were Kevin Arduini and Darrel Hedman.

**Report on the November 2015 thru January 2016 RTA Meetings** – Committee waiting on Board for guidance. Tony indicated that the dam inspection report was presented in January. This report indicated that the concrete coming off the bottom of the bridge does not impact the integrity of the bridge. The ILRPC would suggest that maybe we should get a second opinion on this. However, the spillway needs to be replaced at a cost of approximately \$100,000. Again, we are concerned with the integrity of the dam if the new spillway is to be cut into the current dam. The upper lake needs repairs to the liner at the base of the dam. Also, there was discussion that the pool house pumps need to be replaced.

**Committee Projects** – No Project Request Forms were presented by the community this month.

**Fire Hydrants** – Per Chris Matzke (fireman), OSHA dictates what color the hydrants are painted based upon the size of the pipe. We will have the Eagle candidate from Glasford coordinate with the Mr. Matzke regarding this project.

**30-Year Planning project** - The committee needs Board guidance on projects for the year. We continue to suggest that the Board and Committee chairs meet twice a year to focus on community planning.

**Tabled Item - Old Baseball Field** - We decided to postpone this cleanup project.

**Potential committee project** - Obtain ballpark estimates on the costs to replace the pool house roof and pumps.

Potential Projects in Next 5 – 10 Years:

Project	Responsible	Estimated		Set aside \$'s / yr from '15	RTA Reserve for			
	Committee	Cost*	Year Needed		Bridge/Dam Repairs	Replacement	Dredging/ Erosion	Swimming Pool
December 31, 2015 balances					\$91,076	\$35,805	\$11,517	\$10,004
Swimming pool house roof replacement	Infrastructure							
Swimming pool sand filtered pumps	Infrastructure							
Bridge over Lancelot Spillway	Land & Lakes							
Lake Lancelot Spillway Gate	Land & Lakes	\$100,000						
Upper lake dam liner	Land & Lakes							
Dredging	Dredging							
Club house and boat launch parking oil & rock sealing	Infrastructure	\$23,700	2017	\$11,850				
Lake Camelot boat ramp culvert replacement	Land & Lakes							
Swimming pool - liner replacement	Infrastructure	\$70,000	2020	\$10,000				
Club house – roof replacement	Infrastructure							
Club house – meeting area new floor	Infrastructure	\$12,000 plus	2017	\$6,000				
Unexpected repair/replacements	Infrastructure							
* Estimates are at current known or best educated guess costs. Actual costs could vary.
