Not all Algae Blooms are Toxic, but if you recreate in an IL Lake or River—please take a minute to educate yourself on the bloom known as “blue-green algae”.

@ILEPA and @IDPH caution residents to be aware of blue-green algae when recreating in IL lakes or rivers. Rapid growth of algae, or "blooms," can produce toxic chemicals that may cause sickness & other health effects in people and pets. Visit <http://bit.ly/2GQPHrt> for more info.

NO MEETING WILL BE HELD DURING THE MONTH OF JULY

Happy 4th of July 2018

Thanks to the Community for enduring the excessive heat on the day of the 4th of July Festivities!! By evening it had begun to cool down slightly and by the time the fireworks display began, many families were able to sit out and enjoy the show! A BIG thank you to all the volunteers and to The Tom Beckman Band for keeping us all entertained with his great voice and song selections! Also, a BIG thank you to Annalise Croasdale for lending her beautiful voice by performing The Star Spangled Banner for the crowd. Great Job !

Sportsman’s Club Corner

Club meets the first Friday of the month at 8pm at the Clubhouse

FORE THE KIDS SPONSOR

The Sportman’s Club is a proud sponsor for this year’s **Fore the Kids! Fundraiser** - the 3rd annual IBES PTO Golf Outing.

For more information, visit:

WHEN WAS THE LAST TIME YOU
ADDED CHLORINE TO YOUR SEPTIC?

How to supply chlorine to the majority of chlorinators:

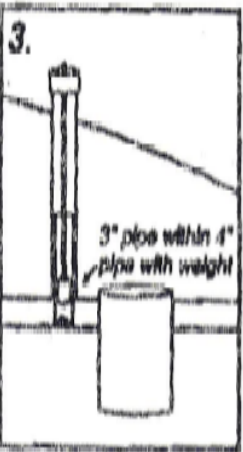

Typical Septic
System Lay-out
(actual arrangement may vary)
(chlorinators also follow
mechanical aerobic systems)

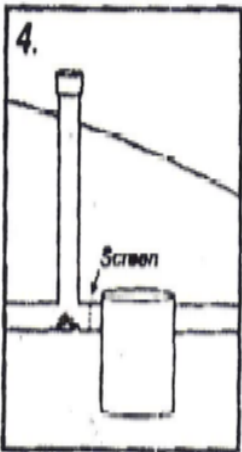

If your system was
Installed mid 1970's -
mid 1980's
Find the chlorinator
recharge pipe located
beyond the vents of the septic
field. Place solid chlorine
tablets in perforated plastic
container and lower with
synthetic cord (organic cord
will rot) until container skims
liquid in chlorinator. Secure
cord to lid.

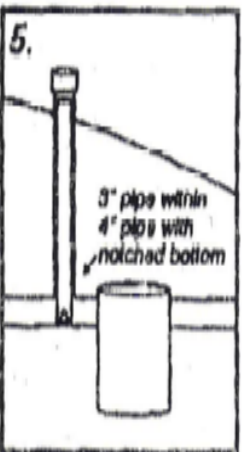

If your system was
Installed mid 1980's -
mid 1990's
Place solid chlorine tablets in
perforated plastic container
and lower with synthetic
cord (organic cord will rot)
to bottom of pipe. Secure cord
to lid.

If your system was
Installed mid 1980's -
mid 1990's
Remove the 1 - 1 1/2" PVC
pipe. Drop solid chlorine
tablets into bottom pipe
section. Replace 1 - 1 1/2" PVC
pipe and weight.

If your system
was Installed
mid 1990's - 1999
Drop solid chlorine
tablets into pipe.

If your system
was Installed 1999
to the present
Drop solid chlorine
tablets into pipe.

NOTE: If standing water is observed
in the chlorine recharge tube of any
system, suspend the chlorine as shown
in illustration 1 in order to prevent
the rapid disintegration of solid
chlorine tablets.

We need your help!

We have a team working on a new, user-friendly,
versatile Lake Camelot website, but....we need
great **pictures and videos** to highlight our beautiful
community. If you have any you would like to
share, please sent to them to
LakeCamelotphotos@gmail.com or drop them
off at the office. Also, if you have any ideas for
the website that that would be interesting, informa-
tive or beneficial to the community, please sent
them to LakeCamelotphotos@gmail.com or drop
them off at the office. **THANK YOU!!**

With gratitude, the family of Tom Atkins is
sending donations to the Lake Camelot
Sportmen's Club and also the
Logan-Trivoli Fire Protection District in his
memory. We want to also thank so many in
the great community of Lake Camelot. A
special thank you to Bruce Beitz who took on
the Celebration of Life for Tom at the Club-
house and all the Sportmen's Club and Fan-
tasy Football Members that helped him. The
kindness of our neighbors who provided all
the desserts and Scott's friends who stayed to
clean up will always be remembered. Thank
you to the office personnel who made things
so easy in a difficult time. Lastly, there are
not words to thank the Logan-Trivoli Fire
Protection volunteers who were kind, sensi-
tive and professional in those early morning
hours. Monte, you are amazing!

Sincerely,
Jeanne Atkins and family

June 20th, 2018
Board Meeting Minutes
(UNAPPROVED)

Pledge of Allegiance – Vice President Dennis Ryza asked the audience to please stand and join the board of directors in saying the pledge of allegiance.

Call to Order – Dennis Ryza called the meeting to order at 6:30pm. Board members present were Chris Mackesy, Vickie Mulligan, Carol Benson-O’Connor, Adam Gillies, Dennis Ryza, Jeff Dunn, Shaun Howard and Bob Wilder. Absent - Leah Allison. A quorum of directors was present.

Executive Session: Dennis Ryza made a motion to go directly into executive session at 6:32pm to discuss legal actions and personnel matters. Jeff Dunn seconded the motion, motion passed. The board returned from executive session at 6:54pm.

Approval of Board Minutes - A motion was made by Vickie Mulligan and seconded by Jeff Dunn to approve the minutes from the May 16th board meeting. Motion passed. Chris Mackesy made a motion to approve the minutes from the special board meeting held on May 23rd, seconded by Shaun Howard. Motion passed. A motion was made by Jeff Dunn and seconded by Adam Gillies to approve the minutes from the special meeting held on May 30th. Motion passed.

Melissa Edwards provided an update on the Activities Club by discussing the planned events for the next year to avoid potential conflicts with other clubs.

Finance Report – Chris Mackey presented a current status of the finances and account balances.

Recognition of members and guests – The original roster of members in attendance is available.

COMMITTEE REPORTS:

ILRPC - Jim Sinclair discussed the preliminary reserve study results and the proposed parking lot plan. See minutes from the infrastructure meeting dated June 12th, 2018. A motion was made by Dennis Ryza and seconded by Adam Gillies for the ILRP committee to secure bids for the parking lot based upon the presented plan as long as that plan is approved by the county. Motion passed.

Land and Lakes - Dennis Ryza discussed progress of the 2020 erosion plan and that it should be published in the newsletter.

Health and Environment - No report.

Fundraising Committee - Vickie Mulligan reported on fundraising activities. A motion was made by Adam Gillies, seconded by Shaun Howard to establish a separate checking account for the fundraising committee as long as the association accountant and attorney give their approval. Motion passed.

Swimming Pool Committee – Vickie Mulligan reported about pool committee progress.

Security – Written report distributed to the board, no discussion.

CLUB REPORTS:

Activities Club – Discussed earlier in the agenda.

Sportsman’s Club – Dimitri Almasi discussed the Sportsman’s club report.

ECC RECOMENDATIONS – A motion was made by Chris Mackesy to approve the ECC recommendations for lot 19, lot 192, lot 241/242, lot 282, lot 514, and lot 1003. Motion seconded by Adam Gillies, motion passed. Adam Gillies made a motion to appoint Ryan Musil to the ECC committee to fill the position vacated by Andrew Gordon. Vickie Mulligan seconded the motion, motion passed.

TABLED ITEMS - Lighting proposal will potentially be a part of parking lot replacement if locations are changed. Still waiting on delivery of the Walleye from Herman Brothers.

OLD BUSINESS:

Swimming Pool Update – Still awaiting a construction schedule from the contractor.

Pay Request from Architect George Kelley – After discussion of the contract details with the architect a motion was made by Chris Mackesy and seconded by Vickie Mulligan to pay the invoices received from George Kelley for the previous services performed. Motion passed.

4th of July Celebration – All activities are planned and on schedule. Chris Mackesy asked that the local Cub Scout Pack be approved to sponsor the pancake Breakfast since there is no current swim team.

New Website – Chris Mackesy discussed plans to present a new website design and proposal to the board at the July meeting. A motion was made by Adam Gilies and seconded by Jeff Dunn to approve the expenditure of \$250 on expenses for the design of a new Association webpage. Motion passed.

319 Grant – A consensus was reached to not pursue any action on submitting a 319 grant this year due to time constraints.

Marine Biochemists Report/Spray Schedule – Lake spraying continues on a regular schedule per the contract with Marine Biochemists. The lower lake was sprayed on Tuesday June 19th but the decision was made to not spray the upper lake on this date because of lower oxygen levels that created the potential for a fish kill if the chemicals were applied. Next regular scheduled spraying is July 10th.

Homeowner’s Rental Agreement – After discussion of current rules and previous board motions (specifically January 2017) a motion was made by Chris Mackesy to establish the homeowner rental fee for 2018 to be \$605 effective immediately. Motion seconded by Shaun Howard. Motion passed.

2018/2019 Telephone Directory– The new phone directory will be ready for distribution by the end of next week.

NEW BUSINESS:

New Location for AMI router – The current device will be moved to the light pole closest to the playground equipment.

Fallen Trees near lot 900/901 – RTA has attempted to clear as much as possible of the fallen tree. Further tree removal will be performed when access to the location improves (ices over). A discussion was held regarding general enforcement of the fallen tree rules of the association.

Community Advantage Bank – A motion was made by Chris Mackesy and seconded by Adam Gillies naming Community Advantage as the approved lender for financing of the pool construction project based upon the revised assessment amount of \$3234.96 from each billable lot for a period of seven years. All in favor, motion carried.

Glasford Bank – Chris Mackesy made a motion to approve the Treasurer, President and General Manager of the association as designated signors on all current banking accounts and the new swimming pool assessment account, requiring two signatures on all transactions. Motion seconded by Shaun Howard. Motion passed.

Meeting adjourned at 9:54 PM.

LAND AND LAKES COMMITTEE MEETING
JUNE 12, 2018
6:30pm

Members Attending:
John Hecker
Denny Ryza
Colin Cochran
Glen DeLorme

Guests Attending: Mindy Leach

HARKER'S CORNER SILT BASIN IMPROVEMENTS

The RTA BOARD reviewed the silt basin improvement proposal submitted at the May 2018 RTA MEETING. The Land and Lakes committee was asked to get additional cost comparisons for the materials and equipment needed to complete the project. Several members of the L&L committee met again onsite to re-draft a revised proposal and to discuss design changes. The proposed timeline for the project likely will be late summer 2018. The committee discussed the possibility of utilizing a different maintenance access location to minimize driving over the culvert. Mindy Leach volunteered to check with the Peoria County GIS website to determine exact property line locations for potential access for construction and ongoing maintenance.

LOT NUMBERS FOR LAKE LOT PROPERTY OWNERS

John Hecker reminded the committee that the RTA BOARD agreed that all Lake Lot property owners should post their lot numbers in a location that would be visible from the lake to enhance safety and security concerns as well as aid the RTA in identifying potential code violations relative to docks and seawalls. It was suggested that the newsletter include information as to why this is important, the size (4" or 6") of the numbers and the suggested location on the property.

SHORELINE STABILIZATION MANDATE 2020

Approximately 2-3 years ago the RTA BOARD voted to require all lake lot owners to stabilize their shoreline in an effort to reduce erosion and sediment deposition into the lakes. The ECC Committee and the Land and Lakes Committee combined to develop shoreline stabilization specifications and guidelines. Several members of the Land and Lakes committee toured both lakes to determine approximately how many lake lots are currently in full compliance, partial compliance or have no shoreline protection of any kind.

Summary: Lake Camelot (upper lake). Approx 150 lots
Approximately 30 lots have NO shoreline protection of any kind

Lake Lancelot (lower lake). Approx 90 lots
Approximately 10 lots have NO shoreline protection of any kind

The committee discussed methods to communicate with lake lot owners in regard to seeking their cooperation in stabilization of their respective shorelines. The committee also discussed recommending to the RTA BOARD that they consider extending the 2020 deadline for compliance due to the timing of the pool assessment.

BOAT RAMP IMPROVEMENT PROPOSALS

The committee met with three additional concrete construction firms to solicit bids to improve the lower lake boat ramp and the upper lake boat ramp closest to Lake Camelot Drive. Three proposals were submitted and were reviewed by the committee. All three of the proposals were significantly higher than the \$20,000 that is in the 2018 budget. Denny Ryza will contact the bidders to review their proposals with each of the bidders as well as determine the feasibility and cost of completing the improvements to each ramp over a two year period.

NOTE: The Land and Lakes Committee is seeking to find (for free) a used 3-drawer filing cabinet for Land And Lakes Committee files, maps, studies, reports etc....to be kept in the lower level of the clubhouse to assist with regular committee meetings.

Minutes – Infrastructure/Long-Range Planning Committee (ILRPC)

Tuesday, June 12, 2018

Call to Order – At 7 PM with the following committee members in attendance - Jim Sinclair. Members absent – Suzanne Wheeler, Roger Markle, Kevin Arduini, Mindy Leach, and Board Liaison Chris Mackesy. Guests – None.

Report on the May 2018 RTA Meeting – Jim reviewed the reserve study asset listing, estimated costs, useful life, and remaining useful life with the Board. We will present the Reserve Study Report at the June Board. Jim indicated that the committee is addressing the need for 90 parking spaces. Kevin and Mindy are taking the lead on this project and we plan to have a spec sheet to present to the Board in June, send this out for bids, and have a proposed plan and contractor by the July meeting.

Reserve Study – Reviewed the Reserve Study report noting the proposed “Full Funded” annual reserve funding is three times what the Board approved for the 2018. We have 60 days to request one revision.

Pool/Club House Parking – Kevin and Mindy had surveyed the parking situation and proposed 90 spaces in the same area. This will shrink the size of the grass median and cause the exit to move north about 18 feet. The fire chief requested that the area in front of the club house and pool main entrance be set up as fire lanes. The County indicated we could have parking out to our property line if needed. A revised plan will be presented to the Board for their consideration.

Tabled Items

- Community Drainage Project
- Club House Basement
- Club House ADA Analysis

We welcome members to attend the monthly meetings to gain knowledge and volunteer their expertise to help us analyze the entire complex.

Committee Projects – No Project Request Forms were presented by the community this month.

Potential Projects in Next 5 – 10 Years:
