SPRING CLEAN - UP

Spring /Summer may finally be on it's way after a long, long (seemed like forever) and hard winter. During those months when we can't get outside often enough we are reminded in the office by those people whom do keep their yards free of debris, light poles in working order, boats parked where they belong, vehicles properly licensed and in working order that it is the responsibility of the community as a whole to follow the guidelines that are set forth within our

Declaration, By-Laws and R & Reg's.

Now that spring has sprung and the snow is gone it is a great opportunity to begin a spring clean up of our own yards, to make sure our light poles are in working order, to move that vehicle off the street that may have been stuck in the snow and so much more to get ready for the season!

We are also looking forward in the next few weeks to schedule a COMMUNITY CLEAN UP DAY with the help of the Sportsman's and Activities Club. More info to follow- Hope you will look for it and be able to join us!

**PLANNING
A NEW PROJECT -**
Remember to submit your upcoming project and planning work-sheets to the ECC for approval prior to making changes and/or additions on your

property. Application forms are available on-line at www.CamelotRTA.org or at the Lake Camelot office. Meetings are held the second Tuesday of each month. FAILURE TO COMPLY may result in stiff penalties and fines.

Children will explore many learning concepts while they are playing and having fun. In this program your child will experience nature activities, arts and crafts, games, music, story time, and field trips. The children will take part in indoor and outdoor activities in a healthy, safe, and loving environment with teacher Kristen Woodley.

Class hours are Tuesday and Thursday 9:00 a.m. - 11:30 a.m. for 3 year olds, and Monday, Wednesday, and Friday 9:00 a.m. - 11:30 a.m. for 4 year olds. There is a maximum of 10 students per class. Students must be three or four years old by September 1, 2014 and potty trained in order to participate. Classes are held at Butler Haynes Park Pavilion. This Fall the 3-year old classes will start Tuesday, September 2, 2014 and the 4-year-old classes will start Wednesday, September 3, 2014. For more information call 697-2929.

Fees are due by the end of each month. The rate is \$5 per day for residents and \$6 per day for non-residents.

Accepting registrations for Fall 2014 starting April 1, 2014 at Hollis Recreation/Fitness Center during normal business hours. Registrations will be secured with a non-refundable \$25 deposit.

Minutes - Land & Lakes Committee

Wednesday, April 2, 2014

Call to Order: The meeting was called to order at 6:30. Committee members in attendance were Glenda Carlson, Collin Cochran, Glen Delorme, Lynn Gosnell, Keith Johnson, Deb Metroff, Richard Novitsky, Bernie Sieks and Bruce Whelchel.

Report on the March 19th Board Meeting: Collin gave a brief report of the meeting. Collin thanked all the committee members that were able to attend the meeting.

Plans for Completing Erosion Control Project Number 1 (from 2013):

There has been no progress on this project due to weather conditions. The contractor plans to complete the project in the next couple of weeks, depending on work site conditions and weather. Collin will check with the Sportsman Club to see if anyone would volunteer to help with the burning of the wood piles. Discussed the possibility of the fire department burning the piles for practice. The committee discussed final grading and seeding and agreed that we should hire the contractor that will be finishing the erosion control work (redirecting the water flow). It was reported that he can final grade, seed, and straw the area for \$700-\$1000. Weather permitting, the project should be completed by May.

Completing Work on the Lower Lake Boat Ramp: Project is complete and the committee agrees that the contractor did a good job and our maintenance staff did a nice job with the finishing work.

Dam & Bridge Inspection Reports:

1. Dam Inspection Report: The committee agreed that the report refers to several items that our maintenance staff takes care of on a regular basis. The report identifies the lower lake spillway as a problem area that the committee needs to research further before developing a plan. Bruce volunteered to make contact with someone that might be able to help us.
2. Bridge Inspection Report: The committee agreed that we should obtain additional professional opinion before developing a plan. Bruce will make contacts before the committee proceeds with any plans.

Lake Treatment: Tabled until next meeting. Hopefully, Greg and/or Dennis will be able to attend our next committee meeting to discuss what their goals and plans are for treating the lakes. Glenda will coordinate.

Erosion Control and Siltation Projects Number 1 & 2 for 2014 (The siltation ponds at the North end of Lake Camelot and the West end of Lake Lancelot):

The Board accepted our recommendation and approved the projects. Steve, Glenda, and Bruce met with the contractor to go over the details of the projects. They also walked the project areas and discussed construction details. Steve will take the lead managing the project, Bruce and Collin will assist. The project is on hold right now due to the weight restrictions on the roads (possibly until mid May, or later). Bruce will stay in contact with the Township Road Commissioner to see if we can begin earlier. There is a concern with a buried phone cable that runs through the woods and under the lake in the project area near the West end of Lake Lancelot. Bruce talked to engineers from AT&T and they will meet with him and Glenda on Friday, April 4th to determine if the cable can be relocated. Kevin Sipp notified Bruce that he will have a mix of scrap dirt and rock that he is willing to provide for our projects. If the dirt and rock is available, Bruce will coordinate with the contractor to determine the best location to store the material, until needed.

Erosion Control and Siltation for 2014:

1. **Removing Lake Siltation:** Bernie and Richard gave an update on the development of a plan for removing silt from our lakes. The discussion focused on identifying problem areas and the depth of siltation in the areas identified. It was brought up that a few years ago the Herman Brothers prepared a report that included some work on determining siltation depths. Members that were on the committee would look for the report. The committee agreed that once we determine the magnitude of the siltation and methods for controlling erosion into the lakes; we can begin to develop the best alternatives for controlling and removing the siltation.
2. **Strategy for working with neighboring land owners (with the help of Scott Wallace and Gary Gorden from the USDA-NRCS) to control erosion into our lakes:** Deb and Glenda, Deb, Steve S., with get together on this project.
3. **The park access area that runs between Tewksbury and Canterbury:** Bernie is still working on the area as weather allows. Will need to determine if we are able to get equipment into this area.

New Business:

1. **Additional Rip Rap:** Collin pointed out that there needs to be additional rock placed at one of the previous projects at the lower dam. Glenda and Bruce will check into purchasing rock..
2. **Winter Fish Kill:** Glen passed around pictures of fish kill on our lakes. According to Rob Hilsabeck fish kill happened all over central Illinois. He stated that the thick ice and snow attributes to oxygen deprivation and kills the fish. Rob also stated that the kill in our lakes was probably less severe than other lakes in the area. Shallow lakes like Eureka Lake had a very severe fish kill.

Next committee meeting - May 7th

Adjournment: Meeting adjourned at 8:30 p.m.

Annual Assessment of Dues 2014

Dues Shall be paid by each member on or before the first day of March of each year. The following table outlines the schedule for amounts due, depending upon when the payment is received. Late payment penalties are reflected.

Paid by March 1 st	\$404.25 (no early pay discount)
Paid by March 31 st	\$404.25
Paid April 1 – April 31	\$429.25 (reflects \$25.00 late charge)
Paid May 1 – May 31	\$454.25 (reflects \$25.00 late penalty)
Paid June 1 – June 30	\$464.25 (reflects additional \$10.00 late penalty)
Paid July 1 – July 31	\$474.25 (reflects additional \$10.00 late penalty)

Paid November 1 – November 30	\$514.25 (reflects additional \$10.00 late penalty)
Paid December 1 – December 31	\$524.25 (reflects additional \$10.00 late penalty)
January 1 + 9% interest	\$655.43 (reflects \$84.00 lien fee) + 9% interest

**CAMELOT ROUNDTABLE ASSOCIATION
BOARD OF DIRECTORS MEETING
Wednesday, April 16, 2014**

Call to Order – Vice President Brian Woertz called the meeting to order at 6:30 pm. Board Members in attendance were Steve Schmidt, Matt Buczynski, Leah Allison, Steve Harenberg, Gary Smith, William Whitehurst and Cathy Doss; board member Lynn Johnston was absent. Also in attendance was Glenda Carlson, General Manager.

Approval of Minutes – Steve Schmidt made the motion to approve the March 19th, 2014 meeting minutes. Motion seconded by Leah Allison. All in favor- Motion carried.

Finance Report – Leah Allison presented the Finance Report. Monthly Income and Expense statement was reviewed for March 2014.

Recognition of Members and Guests – In attendance were Collin Cochran, Jim Sinclair, Brian Emhoff, Don Thompson, Beth Dains and Leslie Murphy. Beth Dains introduced Leslie Murphy as the new swim team coordinator announcing that a coach has been hired and registrations set in the clubhouse for April 28th. Meets have been set up with a new one being in Havana. Excited to be having a meet with a team comparable in size. The General Manager announced the meets, if the board approves the calendar, would be posted on the boards at the pool house, on the FB page and on the new Lake Camelot home page. Bill Whitehurst made a motion, Gary Smith seconded to approve the calendar as submitted, motion carried. The board welcomed Leslie for taking over the new responsibilities and Beth for her many years of service. She is continuing to help with the transition as Leslie takes over and the Board would like to again thank Beth for continuing to show her support to the Lake Camelot Community!!

Committee Reports

Infrastructure – Jim Sinclair reported on his findings with regards to the clubhouse restrooms; the requirements for remodeling/replacement for private vs. non-private clubs and other inquiries they had been looking into. After much discussion, it was the direction of the board for this committee to obtain three costs estimates, one way being to obtain costs to bring the two restrooms upstairs in the clubhouse to code making them handicap accessible and the other to provide costs for those currently in need of repair or replacement (same as) while upgrading the look of the restrooms. Thus, providing the board with cost ranges and future budgeting opportunities.

Land and Lakes – Steve Harenberg and Collin Cochran reported on plans to complete the erosion control project from 2013. Weather permitting it should be done in May. The committee will continue to work on projects for erosion control and siltation removal for 2014. Further, the committee did request the board approve the change for the bass size slot limits from 12" to 18" to 14" to 18" inches as recommended by Rob Hilsabeck in his most recent report. Gary Smith made a motion and seconded by Steve Harenberg. Motion Carried. (Minutes from Meeting-Pg 7)

Health and Environment – NO REPORT

Covenant Review – NO REPORT

Security Report – Brian Emhoff reported no security issues at the clubhouse complex or RTA property over the last thirty days. He further requested information with regards to the start date of the Peoria County officer whom assisted in the patrol of the grounds at the clubhouse last season. The General Manager stated funds had been set aside in the budget for him to begin after the last week of May when school has been dismissed and is to run through August 2014.

Club Reports

Activities Club – NO MEETING The Easter Egg Hunt was held on the 12th and was a huge success. The board and the activities club would like to thank all of those whom participated in the set up of this event.

Sportsman's Club – Collin Cochran reported on the upcoming Fish Fry event on May 3rd and reminded people that tickets are for sale in the Lake Camelot office.

ECC Recommendations The Board approved ECC recommendations as submitted by the Committee: Lot 380-Deiss/Adding Driveway next to Garage; Lot 444-King/Repair Multiple Tie Walls; Lot 555-Bonneville/Widen Drive, Add Walk & Garden Shed; Lot 599/600- Andrews/Contiguous Lot Status; Lot 646-Pardiek/Replace Driveway/Sidewalk/Culvert; Lot 796-McMaster-Install Boat Lift; Lot 925 Derry/ Install Dock; Lot 931 -Alvey/Driveway Expansion; Lot 1001 -Zowin/Retaining Wall Repair; Lot 1027-Younglove/New Driveway & Walk.

Old Business

2014 Violations/Tree Removals– Report Update-Letters mailed with regards to additional removal of trees needed now that lakes are no longer frozen

Oak Table/Replacement - Tables have been received and set up in the Clubhouse. A big thanks to the Activities Club for this contribution!

Aquatic Weed Control - Maintenance has begun purchasing the spray equipment and costing the chemicals for in-house weed control.

July 5th Fireworks Celebration- The General Manager reported planning continues on schedule.

2013 Annual Review & Tax Return - Not yet received from Rotherham & Co. The General Manager informed the Board the Mr. Rotherham's office indicates we should be receiving it no later than Wednesday, April 23rd.

Dam Inspection/Foth 2013/2014- Further review needed by Board for discussion

Pool Chemical Bids - The General Manager presented information regarding four bids solicited for chemical maintenance purchase for the 2014 swimming season. Leah Allison made a motion and Steve Harenberg seconded to accept the bid from Convenient Pool Supply. Motion carried.

2014 Lake Management Conference- General Manager reported both she and Greg Dennis attended the conference in Sandwich, Illinois with good and new information being received on a variety of lake topics which will be put together and shared with both the land and lakes committee and the board prior to the next meeting.

Lot 706- The Board revisited the review by our attorney's office with regards to ownership of said lot and instructed the General Manager to proceed with recommendation to try to secure payment of back dues owed.

New Business

Community Clean up-Day - The General Manager requested a day for community clean-up. A review of the month of May concluded the weekends during that month were booked through the end. Bill Whitehurst made a recommendation that the General Manager to talk to the Activities Club and the Sportsman's Club and see if they would be willing to sponsor a community cleanup day one of the first two weekends in June and provide pizza, snacks and drinks for the members whom help with the clean-up.

Neighborhood Link/Community Web Page - General Manager reported several members have joined the new community web page and will continue to encourage members to join at www.CamelotRTA.org for official association business.

Executive Session

Cathy Doss made the motion to enter executive session at 8:25 p.m., Steve Schmidt seconded, motion carried. Cathy Doss made the motion to come out of executive session at 8:40 p.m., seconded by Steve Schmidt. Motion carried.

Action Items – Resulting from Executive Session-

Board voted unanimously to approve General Manager's recommendation of Kristopher Jouchim for the third security position. Motion Carried.

Adjournment – Steve Harenberg made the motion, seconded by Steve Schmidt to adjourn the meeting at 8:40 p.m. Motion carried.

Respectfully Submitted,
Cathy Doss, Secretary

First thing, we would like to thank the Lake Camelot community for their continued support and making our Annual Spaghetti Dinner a success. I would also like to congratulate and thank Mr. Bob Janssen, who was the winner of our 50/50 drawing and was so gracious as to donate his winnings back to the Fireman's Corporation. The proceeds raised go toward the purchase of extra equipment and education that the fire department does not cover or does not initially cover such as; personal flashlights, helmet lights, tools, and EMT Basic classes.

In the next few months Peoria County Police and Fire Districts will be switching to a new trunked radio system. This system will allow us to talk on our own channels for more clear communication, eliminating "dead spots", and communication clashes with other entities talking on the same channel. Many of you that have scanners in your homes will notice this change as you may hear the initial call or "tone out" then nothing else as the new system will not be picked up by the scanners. Some internet sites may pick up the trunked transmissions on about a 5-6 second delay.

During our EMS calls many will notice that we are very "tight lipped" when it comes to discussing or divulging information on or off scenes as to why we are there or the condition of the people at the residence or scene. Much like the hospitals we are bound by HIPPA (Health information Protection Act) and part of our duty is to protect the information of our patients. This can be difficult for those that watch over and protect the neighbors around them as we cannot tell them what has happened or the condition of the person unless the patient has requested. This is something that tends to be asked at many of our calls or afterward and we have to politely refuse to answer the questions. Many will claim "Freedom of Information Act" to obtain the person's condition or information on the incident. To go this route, you must fill out the proper paper work according to the guidelines of the facility the patient has been transported to and approval by the family.

Stay Safe,
Capt. Dan Williams

TOWNSHIP ROAD WEIGHT RESTRICTIONS

PLEASE BE AWARE THAT THERE ARE WEIGHT RESTRICTIONS ON OUR ROADWAYS THAT REMAIN IN EFFECT FROM FEBRUARY 15TH THROUGH MAY 15TH OF EACH YEAR.

* Annual Percentage Yield (APY) accurate as of January 17, 2013. Rate tiers are as follows: 2.00% APY applies to balances of \$1,001 - \$10,000 and 0.25% APY applies to balances over \$10,000 as long as qualifications are met each statement cycle. 0.25% APY applies to all balances if qualifications are not met. All balances will earn 2.00% - 2.5% APY as long as qualifications are met. **ATM fee refunds up to \$20 per cycle when qualifications are met. Qualifications are as follows: 1) Have at least 10 Debit Card purchases (excluding ATM transactions) post and clear per qualification cycle, 2) Receive eStatements each qualification cycle, and 3) Have at least 1 Direct Deposit or ACH Auto Debit post and clear per qualification cycle. Rates may change after the account is opened. Minimum to open account is \$100. No minimum balance required. No monthly service charge. APY and ATM refund will be credited at the end of each statement cycle. ***Earn iTunes® and/or Amazon.com® credit refunds up to \$10 with initial account opening regardless of qualifications. Earn up to \$5 in iTunes® and/or Amazon.com® credit refunds each statement cycle when minimum qualifications are met. If you do not meet the qualifications per cycle, your account will still function as a free checking account; however, it will not receive ATM refunds or iTunes® and/or Amazon.com® refunds for that time period. Qualifications are as follows: 1) Have at least 10 Debit Card purchases (excluding ATM transactions) post and clear per qualification cycle, 2) Receive eStatements each qualification cycle, and 3) Log on to internet banking account once per qualification cycle. No minimum balance required; however, you must deposit a minimum of \$100 to open this account. ATM refunds will be credited at the end of each statement cycle. iTunes® and Amazon.com® credits will be refunded at the end of the following statement cycle. iTunes® and Amazon.com® purchases must be made with the check card associated with your RealTunes account. iTunes® is a trademark of Apple, Inc.® The program is not endorsed by iTunes®, Apple® or Amazon.com® nor is there any actual or implied joint venture, partnership or relationship of any kind between Glasford Bank and Apple®/iTunes® or Amazon.com®.
